

GIVING TREE

Besides the Library's check-out desk stands a colorful and impressive Giving Tree. Its leaves are significant: they display the names of businesses and individuals who gave generously to provide furnishings for the library when it was first conceived in 2007.

There's plenty of room for more leaves! We invite you to participate in the growth and nurturing of this Tree. With your generous contribution, you can name a leaf and thereby support the library and ensure its continuing contribution to our community.

The following levels of tax-deductible sponsorship are available:

-  **\$100 Green Leaf Sponsorship**
-  **\$250 Bronze Leaf Sponsorship**
-  **\$500 Silver Leaf Sponsorship**
-  **\$1000 Gold Leaf Sponsorship**

Please consider adding a leaf to the Giving Tree. Donation forms are available at the library. For further information, please contact a Library Trustee or the Director.
