

Craft + Afternoon = Crafternoon Tuesdays, 1:00 - 3:00 p.m.

Starting in March, bring your portable craft projects to the library on Tuesday afternoons and socialize while you work!

This includes any type of craft project you can carry with you as long as your craft won't ruin the furniture!

Share your crafting expertise, tips, and tricks with other crafters. Share ideas, supplies, recommendations, etc.

1–2 staff members will join each week so that if only one person shows up, you still have someone to chat with.

We will provide complimentary coffee, tea, and hot cocoa to participants.
